“St. Luke’s Anglican Church: A welcoming family, worshiping Christ and sharing his love with others.”  
Greetings from the Senior Warden

My dear St. Luke’s Family,

After four weeks visiting our youngest child & three grandchildren in Pennsylvania, it is so wonderful to return to St. Luke’s and see our church family. We missed you! You are ALL so special to John & I ...and we were especially happy to see Ann Bean in her usual pew seat.

The Vestry and Calling Committee have now completed the first interviews (via Skype) from our six pastor applicants. We are beginning our advanced interviews. The Bishop has asked us to pray, pray & pray and listen to the name God is putting in our hearts. Please pray we hear God’s voice.

Angels have been on my heart for the past several weeks, don’t know why but they have kept reminding me that God sometimes uses us regular folks for angel work. AND this reminded me of a true story I want to share, written by a Metro Denver Hospice Physician.

“I was driving home from a meeting this evening about 5, stuck in traffic on Colorado Blvd. and the car started to choke, sputter and die – I barely managed to coast into a gas station, glad only that I would not be blocking traffic and have a somewhat warm spot to wait for the tow truck. It wouldn’t even turn over. Before I could make the tow truck call, I saw a woman walking out of the quickie mart building, & it looked like she slipped on some ice & fell into a gas pump, so I got out to see if she was okay.

When I got there, it looked more like she had been overcome by sobs than that she had fallen; she was a young woman who looked really haggard with dark circles under her eyes. She dropped something as I helped her up, & I picked it up to give it to her.

It was a nickel.

At that moment, everything came into focus for me: the crying woman, the ancient Suburban crammed full of stuff with 3 kids in the back (1 in a car seat), and the gas pump reading \$4.95.

I asked her if she was okay & if she needed help, and she just kept saying ‘I don’t want my kids to see me crying,’ so we stood on the other side of the pump from her car. She said she was driving to California & that things were very hard for her right now. So I asked, ‘And you were praying?’

That made her back away from me a little, but I assured her I was not a crazy person & said, ‘He heard you, & He sent me’.

I took out my credit card & swiped it through the card reader on the pump so she could fill up her car completely, & while it was fueling, walked to the next door McDonald’s & bought 2 big bags of food, some gift certificates for more, & a big cup of coffee.....She told me her name & that she lived in Kansas City.

Her boyfriend had left 2 months ago & she had not been able to make ends meet. She knew she wouldn't have money to pay rent Jan 1, & finally, in desperation, had called her parents, with whom she had not spoken in about 5 years. They lived in California & said she could come live with them & try to get on her feet there.

I gave her my gloves, a little hug & said a quick prayer with her for safety on the road. As I was walking over to my car, she said, 'so, are you like an angel or something?' This definitely made me cry. I said, 'Sweetie, at this time of year angels are really busy, so sometimes God uses regular people'.

.....And of course, you guessed it, when I got in my car it started right away & got me home with no problem.

Sometimes the angels fly close enough to you that you can hear the flutter of their wings...." (They come in all shapes, sizes and colors)

Psalms 55:22 "Cast your cares on the Lord and he will sustain you; He will never let the righteous fall." NIV

My prayers are with each and every one of you.

### Christian Nurture at St. Luke's

#### Sundays

Children's Church meets in Norvell Hall during the worship service and is for children in the primary grades. They follow a liturgy designed for them that is based on the gospel lesson for that Sunday.

Children's Church will take a hiatus during the summer months.

#### Pantry News

Hello. Hope you are enjoying these warm days of summer. In spite of it being a time for vacations, many families cannot take a vacation from being in need. Here are items we could use in the Pantry: canned fish such as tuna, cans of hash or spam, spaghetti and tomato sauce, and crackers to go with the soups that are already there. Have a bag for the recycle bin? Just leave it off in the kitchen in the usual place. If you prefer to donate cash, there is an account in place for Pantry needs. Simply place the check or money in an envelope marked Pantry Fund and put it in the Offertory plate. As always, without your help, we can't be there for families who look to us to supply them with food.

Blessings on each of you and your loved ones,  
*Monica*

## Church Growth Commission

What is the “Church Growth Commission” at St. Luke’s? It is part of a five year plan for Congregational Growth and Development, adopted by the Vestry on November 15, 2012 and revised by the Vestry on November 20, 2014. A group of parishioners have been meeting once a month since January 2015 for discussion, brainstorming and planning. Reports of our meeting are always posted on the bulletin board in Norvell Hall. Presently we are taking a short break for the summer and will meet again in September. Hopefully, other parishioners will decide to join us at that time. Our meetings are short, productive and active! Talk to Shirley or Max if you want to join us or want information.

Blessings,  
*Shirley*
