## From the Pastor's Desk

“St. Luke's Anglican Church: A welcoming family, worshipping Christ and sharing his love with others.”

Dear St. Luke's,

It is with joy and gratitude that I thank you for your gracious welcome. As I write this letter, I have been with you for a short time. However, I have already experienced your kindness, humor, and generosity. I look forward to spending countless hours with you, over many years. The New Testament tells us that, because of our adoption by God, we have become a family. This family relationship is true, and is at the core of our identity, linking us with all Christians in every time and place. However, this big picture of the family of God can feel abstract, even unreal. It is in the local parish that we live out this reality. We enjoy the pleasures of old friendships, and we begin the adventure of new ones. Sometimes, we feel like family as soon as we meet each other, and at other times we discover that those we at first found difficult, have become people we dearly love.

My priorities, particularly in my first year with you, include faithfully preaching and administering the sacraments, providing care and support to the hurting in our church, and working with the vestry to provide leadership for our church. Those are needs that are always present. However, my goal is to grow in relationship with you: to be a family. I know that you are already, “A welcoming family, worshipping Christ, and sharing his love with others.” I see that this is a vision statement you are already living out, and not just an aspiration. I want to join you in that.

I know that first-impressions are important, but I am a “long-term” sort of person. I'll do my best to learn names quickly (although this usually takes me awhile!), and begin quickly to get to know you. However, it is the long and slow growth of relationships that I'm looking forward to most. Please don't be reticent to take the first step! I know that some of you are unable to attend regularly due to health restrictions. I want to visit with you; to listen, pray, or bring you communion. I will be periodically checking to see who would like a visit, but please don't feel like you need to wait to be contacted. Talk to me, or call Patti in the office with a time or two that you are able to receive a visitor. Similarly, I'm happy to visit others in the church, to meet for coffee in the morning, to share a home cooked meal,

or discover your favorite local restaurant. I'm reluctant to "invite myself over," even if we call it a "visitation," but I'm happy to accept invitations!

I greatly look forward to serving as your rector, and I am eager to worship and serve the Lord beside you.

Blessings,  
Fr. Ryan

#### Pantry News

Thank you for your October donations. They are always most welcome. This month's reminder is to consider donating to either the Rescue Mission or Salvation Army (or any other group you would like) in order to help them serve those in need during the Thanksgiving holiday. Also, don't forget our recycle bucket which supports Father's Discretionary Fund. In a few weeks, we will take an inventory of the pantry items as well as checking to make sure all of them are within the "use by" date.

Wishing you and yours a Blessed and Happy Thanksgiving. "Praise God from whom all Blessings flow!"
